What is BES?

BES is a volunteer organization working on behalf of all generations of Americans and devoted to honoring, supporting, protecting, and enhancing the resources of the Manassas National Battlefield Park. Our purposes include maintaining and improving the equestrian and other trails in the Park, and promoting horsemanship through educational programs and activities. These activities are intended to enhance the historical significance, access, safety, and pleasure of all who use the Park. Funds raised by BES through our activities are donated to the Park along with volunteer labor to sustain the trail systems within the Park. The ongoing work of the Society includes erosion control, trail trimming, and safety improvements to the Battlefield trails. By joining us in these efforts, we will create better, stronger, and more exciting programs for both members and visitors. It is our pleasure to welcome you to a team of extraordinary individuals whose dedication and commitment to improving the quality of the equestrian experience, through providing an exceptional trail system and a heightened awareness of the Park's Civil War history, is unequaled.

BES is a 501(c)(3) Non-Profit, All Volunteer Organization

Since BES was founded in 1985, we have provided the Manassas National Battlefield Park with over \$800,000 in volunteer labor, cash, goods, and services used for the maintenance of bridle trails. The majority of these funds were a direct result of memberships and BES fund raising activities.

We are always interested in discussing potential donations of materials, equipment, and/or money for support of the trails in the Park. Of particular interest are our specific needs for equipment and materials including:

- Additional/Replacement Bobcat • Additional/Replacement Gators • Tractor (w/ front loader) • Clean shale.
